Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 05/19/2006 has been entered. At this point, claims 25-28 have been amended, claims 29-30 have been cancelled, and claim 31 added. Thus, claims 25-28 and 31 (renumbered 1-5 for issue) are currently pending in the application.

Claim Rejections – 35 USC § 103

In response to amendment, the 35 USC § 103 rejection of claims 25-28 are withdrawn.

Reasons For Allowance

The following is an examiner's statement of reasons for allowance: the prior art does not teach the limitations of independent claims 25 and 31 including the limitation:

“changing ownership for the specific logical unit from the primary host computer to the secondary host computer by the cluster management functions”.

The closest prior art, **Vahalia et al., US 6,275,953**, teaches other limitations of the claims, but teaches that the ownership changes are performed by management functions on the management computer, not on the primary and secondary hosts. See, for instance, see Col. 23, lines 1-20, 65 – Col. 24, line 5, and Col. 24, lines 50-60. See

also **Kashyap, US 20020087912 A1**, which discloses a system which utilizes several hosts which coordinate ownership of data in the case of a failover, but does not teach the management computer limitations. **Carter et al., US 6553401 B1**, teaches a system which has multiple hosts and a cluster management computer. Ownership of data is managed by the cluster manager, not by the hosts.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
